To all schoolteachers in charge of rugby in all affiliated Munster rugby playing schools:

I am writing to advise you of new arrangements regarding communication within the Munster Schools Committee structure. All information of importance will be conveyed through our website above <u>www.munsterschoolsrugby.com</u> The onus is on you as teacher in charge of rugby in your school to check with the website regarding any issue of information, cup or league competition, meeting or any other item. If the information you are looking for is not there, there is a facility on the site to relay this through the feedback icon. You can do it independently through email, fax or letter. Ideally, it should be written. Ultimately, you can always phone.

You will not be written to specially unless there is a compelling need. Please check the current site for:

- (a) Draws for the Avonmore Munster Schools Senior and Junior Cups 2005/2006.
- (b) League schedules and procedures for the operation of the Munster Schools U. 16 Bowen Shield and Munster Schools U. 14 League.
- (c) Arrangements for the application for tickets for the three home games in the Heineken Cup to the Munster Schools Committee.
- (d) List of Competition Organisers for the current season 2005/2006. If you have any queries about any competition listed, the names and contact points of the competition co-ordinators are given.

The site will be added to as the season progresses. Please check on an on-going basis.

For securing tickets for the Munster v. Castres game, please act by the deadline stipulated within the guidelines prescribed in the interests of fairness to all.
